INFO: Used Solemar 4.70 inflatable boat complete with 25 HP Yamaha engine (sold without trailer). The inflatable boat is complete with everything and in 2024 it underwent a complete overhaul of the electrical system, the replacement of the electric diaphragm bilge pump and the addition of the Bluetooth radio system with speakers. The equipment is completed by a Garmin depth sounder, courtesy lights, electric horn, rollbar, bow sunbathing cushions and equipment (ring with cover, chain, anchor, life jackets, mooring lines, paddle, manual inflator).
