**INFO:** The STAMA 37 model was born from the Cantieri Navali Arturo Stabile, operating since 1875. The boat for sale is in excellent condition thanks to the meticulous maintenance carried out and the impeccably maintained interiors. In 2023 the engines were disembarked for a total overhaul. The flanges were also dismantled, raisers replaced with new larger steel ones, total overhaul of the feet with replacement of oil seals and accessories. The generator was also overhauled (with disembarkation) and new AGM batteries were mounted.
