INFO: The used boat for sale is an ideal solution for pleasure and fishing. Boat from 2002 in perfect condition, always well maintained. Equipped with Mercruiser 3.0 engines, it has an electric windlass with a 50-meter chain, depth sounder, GPS and new control levers. The interior is complete with refrigerator, stove, sink and heating that works with the engine running. Outside, we find a shower, a 2024 stern platform, livewell, davits for tender, internal and external lights, VHF, car radio and solar panel. Furthermore, it is equipped with blue window covers and a sea water pump in the cockpit. MODEL INFORMATION Rio continues to stand out in the fishing sector with reliable, safe boats suitable for all sea conditions, without sacrificing comfort and elegance. A perfect example of this philosophy is the Rio 800 Cabin Fish, a boat that combines practicality and style, offering enthusiasts a versatile and well-designed means of combining pleasure and functionality. The spacious cockpit, over 5 square meters, is perfectly equipped for fishing with lockers, a fish holder and convenient access to the stern platform. The helm station ensures excellent visibility, while the interior includes a central dinette with kitchen and four comfortable berths. The flying bridge, accessible with a ladder, also serves as a sundeck, increasing the liveability of the boat.
