INFO: The Grand Soleil 43 B&C is a cruiser-racer sailing boat designed by Spanish naval architects Botin and Carkeek and built by the Italian shipyard Cantieri del Pardo between 2006 and 2009. With an overall length of 13.25 m and a maximum beam of 3.95 m, it offers a balance between performance and comfort. The boat has a bulbous fin and a sword rudder, while the rig is a fractional sloop. The displacement is approximately 8,900 kg with a maximum draft of 2.50 m. The interiors are presented in the three-cabin configuration with two bathrooms, including a shower. The fuel tank capacity is 231 liters, while the fresh water tank is 401 liters. The auxiliary engine is a 55 horsepower Volvo Penta. The Grand Soleil 43 B&C is appreciated for its sailing performance and build quality, making it suitable for both comfortable cruising and competitive racing. - BOAT MANAGED WITH EXCLUSIVE MANDATE - PHOTO SERVICE UPDATED AUGUST 2024
